

# TEAMSTERS LOCAL 364 ANNUAL BIG BUCK CONTEST

Contest conducted for active Local 364 members and their children in two separate categories.

Entry will be \$5 cash for anyone who wants to enter the contest. Attach name, address, phone # and company you work for stapled to the \$5 and submit either to the union hall or give it to your business agent or steward by November 1, 2025.

When verifying your entered deer, send a good picture of deer and hunter along with the number of points, inside spread, weapon used and name and company you or the parent work for. Judging will be based on inside spread (at widest point) + number of points = contest score. Example: A 9-point with an 18 inch inside spread would be 27 points for the contest. (In case of a tie, the longest brow tine in inches will be added to the contest score. Example: 2 deer with ten points and a 17 inch spread will both total 27 points. You must then add the length of the longest brow tine to the total points. One deer has a 5 inch tine and the other a 6 inch brow tine. The one with the 6 inch tine wins).

100 percent payout! Prizes will be as follows in both categories:

- 1<sup>st</sup> – 50% of all entry fees
- 2<sup>nd</sup> – 30% of all entry fees
- 3<sup>rd</sup> – 20% of all entry fees

**Send your picture and measurements to:**
